KILLED.

Crabtree Run Over By N. & W. Train.

On Sunday night William Crabtree, who lived near the "Gap" on Two Mile road, was run over by N. and W. train not far from here and instantly killed. It is known how the accident happened. The body, which was mangled beyond recognition, was identified by some letters which were in his pocket. His brother was notified by telegram and Atkins was sent for the remains. The body was taken to his former residence near the Gap on the Two Mile road where funeral service was conducted by the Rev. H. B. Hewitt. Crabtree was the son of Smith Crabtree and was in the 23rd year of his age and unmarried.

Mr. Burns Says.

I have personally known Judge M. Redwine for about fourteen years. I know him to be a Christian gentleman in the full sense of these words. I had so heard of him, for years, but I personally and intimately knew him. I have after been with him in church, in Sunday School and at meetings and other Christian gatherings. I know him to be a man of the cause of Christianity, and to all the churches, and a fine temperance man and temperate worker.

As a Judge he is the peer of any of our Judges and as a Judge he is almost entirely put down and the whisky traffic in this county. His rulings have been fair, kindly, and perfectly impartial. The entire Bar is pleased with his manner of holding court. I see no reason why we should have a change of Judges, at least so short a time. He is already a star on our docket, and it did take a new man nearly the two years to become so. He is honest, competent, and in every way, well qualified for and is a Judge, and, in my humble opinion, the public had better keep him. This is written without the solicitation or knowledge of Judge Redwine.

R. T. Burns.

Accidentally Shot.

A sad accident, which proved fatal to a victim within a few hours after its occurrence was the shooting of Walter Perry by Irving Roberts, twelve year old boy, at Huntington Sunday night. The two were engaged in shooting rats with a 32 calibre revolver, taking turn about the gun.

They were hunting the rodents on the porch at Sanford Roberts' on upper Eighth avenue. It was Roberts time to shoot and Mr. Perry was at the opposite end of the porch peering under it for rats. Roberts fired. The bullet ended the top of his head and came in the throat. Dr. Vickers was summoned and soon decided there was no hope for Mr. Perry, and at about 11 o'clock that night.

From J. M. Riffe.

Yatesville, Ky., June 4, 1907. For Big Sandy News:—I see in your paper a call for a County Convention to be held on the 22 day of this month to select judges to make the race for Circuit Judge and Commonwealth's Attorney on the Democratic ticket. I find published in your paper names of two gentlemen seeking this nomination, to-wit: Judge Redwine and Mr. Jeff Hannah. There is my judgment but two questions were considered on making the race for the office of Judge of the district and they are qualification and whisky.

Judge Redwine has been tried in the district on both these questions. He proves his qualification on both. Then in the language of Abraham Lincoln why would you swap horses in the middle of the river while fording it. I have been practicing law in this county for the last thirty-five years and all the Judges that have preceded over our court and I will without fear of successful contention that we have never had a better Judge on the Bench. He is fearless and impartial and gives

to everybody that comes before him a fair chance. Then for the reason that he completely fills the bill for qualification, then why not support him.

Now on the whisky question I will say without any fear of contradiction that Judge Redwine has done more to stop the traffic of whisky in this county in the short time that he has been on the Bench than any other Judge has done before him and if the people will elect him to fill the office of Judge for two more years that we can wipe out the sale of whisky in this county, then why not support him.

I find that any amount of whisky is being used and distributed among the voters of this county against Judge Redwine and the men handling it says it is Hannah whisky. It is said that every whisky man and every man that voted against local option in our county is in favor of Mr. Hannah and against Judge Redwine, question, why is this? answer, in my opinion there must be some misunderstanding about this matter, Mr. Hannah may be all right if he is he is like poor Tray, caught in a very bad company.

In conclusion I will say to the voters of this county and district that vote in primary conventions go to your voting places and vote for the man that has been trusted and found all right and you people that profess to be Christians and vote as you pray. Don't vote for the whisky man's candidate and then go home and get down on your knees and pray God to stop the sale of whisky in your county.

Respy, J. M. Riffe.

4th OF JULY

Will be Celebrated in Louisa This Year.

Louisa will sustain her reputation as a patriotic city by celebrating the Glorious Fourth again this year.

The Business Men's Club will take up the matter in connection with other citizens and a program will be arranged that should prove interesting to all who will come.

The details will be announced through these columns in due time. Keep Louisa in mind and arrange to spend the day here.

Delightfully Entertained.

Mr. and Mrs. R. L. Vinson, Lieut. and Mrs. Bond, Mr. and Mrs. M. F. Conley, Dr. and Mrs. W. roten, Mrs. Geo. F. Wroten, of Savannah, Ga., and Miss Lelia Snyder were delightfully entertained Wednesday evening by Mr. and Mrs. F. L. Stewart. Progressive whist was played to the extent of ten advancements, and most delicious cream and cake were appreciated at the close of the games. A new day was born ere regretful good bys were said to the hospitable hosts.

City Council.

This body met in regular session last Tuesday night, the Mayor and all the members present except Dan Blankenship. The business transacted was mostly routine, nothing new having been presented. The claims presented were allowed as far as the treasury would permit. Paying, repaired and new, was considered, and so far as the NEWS could learn this was about all that was done.

Inspected The Property.

Major Omar Bundy, Inspector-General U. S. A., was here a few days ago on a tour of inspection. The Government property pertaining to the locks and dams in this vicinity was examined as to its condition, and report thereon will be made to the Department. Major Bundy was accompanied by Lieutenant Arthur Williams, Corps of United States Engineers.

The Misses Blanche Kilgore and Irene Embry, who are here from Catlettsburg this week, have been the recipients of much attention during their stay. On Friday evening they were entertained by Miss Nina Rathbone, Monday evening by Miss Flora Jones, Tuesday evening at the Brunswick by Miss Jeannie Adams, and on Wednesday Miss Laura Crutcher, whose guests the young ladies are, gave an evening in their honor.

A STATEMENT

By James Vinson As To Judge Redwine's Action.

On May 25 1894 my father, Lazarus Vinson, better known as Lacey, was murdered and robbed near Catlettsburg. I devoted the following four years of my life to the task of hunting down the murderers, at the sacrifice of everything I had in the world. The result was that Charles Martin and Dave Justice were convicted of the awful crime and sentenced to the penitentiary for life. M. M. Redwine was Commonwealth's Attorney and prosecuted these men. I consulted him all along about the evidence secured and he always told me the men were undoubtedly guilty.

Some time ago he was requested to secure the release of Martin and Justice from the penitentiary, and in compliance he wrote the following letters to the authorities at Frankfort:

Sandy Hook, Ky., Mar. 18, 1904.

For the information of the Parole Commissioners I say I prosecuted David Justice charged with the murder of Lacey Vinson. Justice denied any knowledge of the killing if he was killed he was found on the ground by a R. R. trustee over which people walked. The deft., was convicted upon the evidence of one witness with some circumstances and one other witness who was impeached. The material witness was Martha Gouse. She swore before the grand juries that she knew nothing of the murder of Vinson on the trial she said she saw Justice and Martin with Vinson on the night before he was found dead and that Martin struck Vinson. Respy.

M. M. Redwine.

Sandy Hook, Ky., Nov. 1st, 1904.

To the Board of Pardons, Gentlemen:—I prosecuted Charlie Martin who was sent to the Penitentiary for the killing of L. Vinson from Boyd County the principal witness was Martha Gouse who had previously before two grand juries swore she knew nothing about who killed Vinson. She was not corroborated in what she stated on the trial vs. Martin. Respy.

M. M. Redwine.

I prosecuted Charlie Martin there is considerably doubt as to the guilt of Martin and Justice. Martha Gouse the star witness swore she knew nothing of the case. Yours,

M. M. Redwine.

The above is a true copy of letters of M. M. Redwine on file in this office in the application for the parole of Charlie Martin. May 28th 1907. Attest J. P. Barlow, Clerk Prison, Commission, Frankfort, Ky.

As you will see, the above is a certified copy of the letters, all of which are a part of the records in the office of the State Prison Commissioners at Frankfort.

Martin was paroled and is now at liberty as a result of these letters. I and my brothers and other relatives were very much surprised and aggrieved by the release of Martin. We heard that Redwine had secured the parole and we brought the matter to his attention. He denied positively that he had taken any hand in it. Later we were shown by E. E. Shannon an affidavit, or what was alleged to be a sworn statement made by Mr. Redwine, denying that he had been connected with the matter as charged. We were then thoroughly satisfied that Mr. Redwine had not taken any part whatever in freeing this man.

But the above certified copy of Mr. Redwine's letters came to my hands and this again aroused my suspicions. I dropped my work, which was very urgent, and went to Frankfort to see the records for myself. Upon my demand the records were opened to me and I saw with my own eyes the letters which had turned this murderer of my aged father loose and proved the treachery of M. M. Redwine. The letters are in his handwriting. I went to the Clerk's office before leaving for Frankfort and examined his handwriting. I also took with me samples of his handwriting for comparison. All this trouble was taken in order that I should make no mistake and that I should know the truth beyond question. I did learn the truth and it is almost enough to shake my confidence in humanity.

My friends, what do you think of such a man holding the responsible position of Circuit Judge? What is our country coming to when the sacred word of those exalted to the throne of justice can not be depended upon?

In view of this outrage upon truth and justice I appeal to my friends and relatives all over this district to go to work at once and never rest until the convention of June 22nd is over. This man Redwine must be retired from his high position, which only a sincere and truthful man should hold. In the name of my father, whom you all know to have been one of the most honorable and a right citizens in this district, I appeal to you to come to my aid in this fight. Not only did I spend my last dollar running down his murderers, but there is today hanging over me a debt contracted in the work and I am struggling every day to pay it. My brothers and brothers-in-law also spent money that their families needed. For four years I did nothing but work to uncover the truth of this dastardly crime that sent my poor old father into eternity without warning or a chance to defend himself. My friends and fellow-citizens, what are you going to do with officials of this kind? James Vinson.

A Talented Visitor.

Yesterday several of our citizens had the pleasure of meeting Miss Saldee Nannette Wheeler, of Pittsburg, who was in Louisa a day or two while en route from Graham, Va., to her home. For two years Miss Wheeler had been teacher of Elocution in Graham College, whose President, J. B. McClure, will be one of the Faculty of Kentucky Normal College next year. She is a lady of great experience in her vocation, and this experience is enriched by an engaging personality and a manner which shows much culture and refinement. Miss Wheeler has studied with the masters of the profession of Elocution, and the NEWS is assured by Professor McClure, who is a very competent authority, that he knows of no one superior to Miss Wheeler as teacher and demonstrator of her beautiful art. In fencing, in fact in all lines of physical culture Miss Wheeler is said to be adept.

An effort will be made to secure the valuable services of this accomplished lady for the Kentucky Normal College, and this effort should be aided by our citizens in every possible way.

NEW FEATURE ADDED TO STIMULATE SUBSCRIPTION WORK.

There are a good many dollars paid the Big Sandy News by persons not interested in the Jamestown contest and who do not cast any votes in it. These we designate as "Don't Care" votes. In order to stimulate the work for new subscribers we have decided to divide these votes amongst the three candidates having the most dollars on new subscriptions to their credit at a date to be announced later. The division of these votes will probably be 50 per cent to the one having the largest number, 30 per cent to the next and 20 to the next. Definite announcement will be made a little later. This is a double inducement to work for new subscribers.

Picked Up At Pike, Paint and Prestonsburg.

Hindman, Ky., June 1.—Word has reached here that Mat Sloan, a brother of Circuit Court Clerk L. C. Sloan, was killed at Lee City, Wolfe county, this morning. No details have been received.

The field is crowded in the Senatorial race and a hard fight is to be made for the Republican nomination. In the Sandy Valley section, Johnson has Dr. Daniel; Floyd, John Keel; Knott, John Combs.

The Pikeville Plaindealer has changed its publication day from Saturday to Thursday. What the editor calls "a thief, a scoundrel and a moral degenerate" broke in to his office one night recently and made pi of the forms.

On Thursday of last week, Will Smith, ex-Sheriff, of Pike county, lost by fire at mouth of Pond, his sawmill, planer, resaw, edger and \$500 worth of lumber. Both dwellings were damaged and the newer one will have to be recovered. The total loss is estimated at \$4,000.

Pikeville, Ky., June 1.—Jack Newcome, alleged slayer of Bird Hamilton, was caught on Prater's Creek, yesterday, and landed in jail in Prestonsburg. The crime was committed last Monday night, while the men were en route here from the Van Amburg show, which had exhibited here.

W. B. Webb has announced himself a candidate for Representative from the Seventeenth Legislative district, composed of the counties of Letcher, Knott and Floyd. He has been a lifelong Democrat and has a large acquaintance over the district, owing to his wide connection, being a member of the old Webb family. It is understood that there will be three in the race.

Plans are being formulated having for its object the erection of a five three-story Masonic Temple, on Court street, in Paintsville. The Masonic fraternity will occupy the third floor while the second

Above is a correct summary of the candidates and their votes up to Thursday morning of this week. All ballots will be preserved so that any question that might arise may be settled beyond question.

We expect to have the contest party stop over in Richmond, Va., which is a very interesting city, because of the important part played there in the history of this country. Also, on the return trip we hope to arrange to come from Norfolk to Washington City by steamer, stopping en route at Mt. Vernon, the home of George Washington. Washington is the city of greatest interest to every citizen of the United States.

From Norfolk there will be side trips to Virginia Beach and Old Point Comfort, two of the most popular bathing resorts on the Atlantic coast. A dip in the ocean and a view of this great, restless body of water is alone worth the cost of a trip.

Don't you think all of this is worth an effort? If you would like such a trip free of cost, or if you have a friend that you want to have the benefit of this great opportunity, now is the time to enter the contest.

It is not likely that we shall count the ballots each week hereafter. At any rate, we reserve the right to count them and announce the result at intervals of two to four weeks if desired.

The building will be large and of modern architecture. Concrete blocks will be used in constructing the building.

Lawrence Gentry is enjoying a visit from his father, Gen. W. H. Gentry, of Lexington. Gen Gentry is a typical Kentucky gentleman, and bears the distinction of being a nephew of Daniel Boone—in fact, he is the closest living relative of that famous pioneer. He is a man of fine intellect, and it is a rare treat to listen to his stories of early life in Kentucky.—Ashland Independent.

Gen. Gentry spent Sunday with the family of W. F. Shipman.

State Agricultural Commissioner Herbert Vreeland of Kentucky, and Senator J. W. Newman, of Woodford county, are making arrangements for a forest survey of the State in order to ascertain the amount and character of its timber. The expense of the survey, it is stated, will be borne in part by the United States Department of Agriculture, the State paying half the cost.

The many friends of Jerry Diamond will be pained to learn that he has grown much worse within the last few days. Mr. Diamond has been an invalid for some time, being almost helpless from paralysis, but has borne his afflictions with remarkable fortitude and it is earnestly hoped he may rally from this attack. ANNOUNCEMENTS.

We are authorized to announce M. Redwine as a candidate to fill the unexpired term of two years as Judge of the 32nd Judicial District of Kentucky, composed of the counties of Elliott, Morgan, Carter and Lawrence, subject to the action of the Democratic party of said district.

We are authorized to announce J. B. Hannah, of Elliott county, as a candidate for Circuit Judge of the 32nd District, subject to the action of the Democratic party. Convention June 22nd.

As To Candidates.

The Big Sandy News has always maintained a neutral position in local races for Democratic nominations. Our readers may depend upon the fact that we are paid for the publication of every article that has any bearing upon the candidacy of any one, directly or indirectly. All candidates are given the privilege of using the columns on the same terms. The articles are published as advertising and do not carry with them the indorsement of the NEWS.

Owing to the emergency caused by the strike of 200 retort men for a 60 per cent. increase in wages, it was announced that natural gas would be turned into the pipes of Cincinnati Saturday.

The Court of Appeals, in passing on a case from Trigg county, decided that when the entire county has voted dry one precinct cannot hold a separate election to determine the sense of the voters in that district.

The War Department will award within a few days the contract for 20,000 white marble headstone to mark the graves of Confederate soldiers and sailors who died in Federal prisons and military hospitals in the North during the Civil war and who were buried near the place of their confinement.

When the Republican convention is held at Louisville, June 19, Eastern Kentucky will spring a dark horse in the gubernatorial candidacy of W. L. Hurst, of Campton. He is relying upon his wide acquaintance in the mountains to give him the solid backing of the Ninth, Tenth and Eleventh Districts.

Judge James Hargis will shortly begin the publication of a weekly Democratic paper in Jackson to replace the recently destroyed Jackson Hustler.

A Hair Dressing

If you wish a high-class hair dressing, we are sure Ayer's Hair Vigor, new improved formula, will greatly please you. It keeps the hair soft and smooth, makes it look rich and luxuriant, prevents splitting at the ends. And it keeps the scalp free from dandruff.

Does not change the color of the hair.

Formula with each bottle
Show it to your
doctor
Ask him about it,
then do as he says

At the same time the new Ayer's Hair Vigor is a strong hair tonic, promoting the growth of the hair, keeping all the tissues of the hair and scalp in a healthy condition. The hair stops falling, dandruff disappears. A splendid dressing.

ler. He has secured estimates from a Cincinnati type foundry, and will equip a plant at a cost of \$5,000. It is said that Attorney A. H. Pollard, of Jackson, will assume the management of the new paper.

Greenup is the home of both a States Senator and a Representative in Congress—the only town in the state that is so honored.

It does seem as if there is no kick coming from the farmer just now. Cattle are bringing fairly good prices; hogs are high and promise to stay there; the lamb crop is abnormally large, and prices almost beyond precedent. Corn crops have been large for several years and the price is good. Dollar wheat and fifteen cent tobacco are both in sight; mule colts are bringing one hundred dollars; grown mules and horses are at big figures and other things are in proportion. Surely the tiller of the soil is coming into his own after many years.

Now that the first excitement of the approaching trial of Jurge James Hargis has passed, the city has assumed its normal condition and the time is taken up with games of marbles. For, incredulous as it may seem, the most popular form of amusement for all classes of people in Sandy Hook is playing marbles; men, women and children alike dot the public square here engaged in the game. Bowling, tennis and croquet have not reached this county, and it is an ordinary thing to see a girl of sixteen playing marbles on the public square with a man of sixty. The practice that the men players have had makes them adepts at the game, and it is nothing for an aged grandsire to pick out an agate at a distance of thirty feet.

Judge James Hargis spent much of his time in the courthouse yard playing marbles with a number of boys. County officials and farmers join in the game.—Correspondent Louisville Times.

Black Eyes.

The Catlettsburg Tribune relates that a Big Sandian running for his train dropped a bottle of red-eye and a big pistol. Since the unexpected constitutes humor there's nothing funny about that—Portsmouth Blade.

Not? Admitted. But out of the number of Big Sandians who tote pistols, the fact that one of them actually dropped his, is an incident so rare as to be worthy of note. Catlettsburg Tribune.

When will Big Sandians cease totting red-eye and big pistols, and when will newspapers in puerile attempts to be funny cease to say, by implication, that the habit is confined to this section?

OUR WEST VIRGINIA NEIGHBORS.

Wm. Spurlock, an industrious young farmer of Garretts Creek, and Miss Lonie Smith, of Wayne, surprised their many friends by quietly getting married at the bride's home Saturday night.

The faculty and graduating class of the Maryland Medical College, of Baltimore, had their commencement Thursday, May 23rd. Dr. Muss Burgess, of Wayne, of high honors in this class, as well as the prize for best gynecologist.

!!!!

The grand jury of Wayne county, examined over 150 witnesses and returned 46 indictments. One of those indictments was for murder, five for felonies and the rest were for misdemeanor.

!!!!

All of our preconceived notions in the matter of the ladies and their antipathy to the sale of whiskey have been shattered. The only woman in the state who owns and edits a newspaper, Mrs. Lydia Simpson Poffenbarger of the State Gazette, is making a bold and strenuous fight for the granting of liquor license in her town of Point Pleasant.

!!!!

Judge W. W. Marcum, Pearley Walker, Sheriff John L. Billups, and D. H. Meredith, and perhaps other confederate veterans of Wayne county attended the Confederate Reunion at Richmond last week.

!!!!

The State Superintendent of Schools thinks that there will be enough teachers this year to supply all the schools of the State. This has not been the case since the new uniform system of examination has been in force.

!!!!

B. P. Toney, one of our merchants here, is moving his family to his farm near Fort Gay. His brother in law, Mr. Dawson, has purchased his house and lost here, and will move in immediately.

Mr. Toney will stay here himself until he closes out his stock of goods.—Wayne News.

!!!!

Thursday morning about four o'clock the residence of Harrison Piles on Main street in Ceredo, caught fire and was almost completely destroyed. It is not known just how the fire started, but anyway it started in the kitchen near the oil tank. The family were sleeping upstairs and were not aroused until after the fire had too great a headway to be extinguished.

While the loss was considerable, it is understood that it will be covered for the most part by the insurance.

The altitude of Wayne is 707 feet above sea level as shown by the marker placed in the stone in the court house by the engineers of the United States Geological Survey.

!!!!

The case of Capt. J. I. Kuhn against James Spry, in indictment, mention of which was made last week, resulted in a verdict for the defendant Mr. Spry and judgment was rendered thereon. This case involved only about 15 acres and was the longest drawn out of any case tried at the late term of the Wayne court. The costs of the case outside of lawyers fees must have must have been something like a thousand dollars.

!!!!

Negotiations for the purchase of the timber on about 2000 acres of land on Burning creek, Mingo county, W. Va., have been closed by the Reitz and Martin Lumber Co., of Parkersburg, W. a. The timber, consisting principally of oak, is located on the Norfolk and Western Railroad, easily accessible to transportation facilities, and will be developed at once. It is said that six years will be allowed the purchaser to remove the timber from the tract, after which the land will revert to the former owner, Stuart Wood, of Philadelphia, Pa., from whom it was purchased.

!!!!

The Supreme Court of the United States overruled the demurrer of the state of West Virginia in the original proceedings against that state by the state of Virginia, in which the latter state seeks to compel the former to assume a portion of the indebtedness contracted by Virginia before the creation of West Virginia and the case will now be tried on its merits. The order was announced by Chief Justice Fuller, who said there could be no doubt of the jurisdiction of the supreme court in the case.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney and Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

FREE TRIP FOR 3 LADIES

To the Great Jamestown Exposition With all Expenses Paid by The News.

The BIG SANDY NEWS will pay the expenses of the three most popular ladies in Lawrence county on a week's trip to the wonderful Jamestown Exposition. The trip will be made in August, 1907, when the Exposition is well under way, when the weather is good, and when summer vacation is at hand. The three ladies will go with the Editor of THE NEWS and his wife as their especial guests, and their every comfort and enjoyment will be carefully looked after. Remember, their every expense will be paid by the NEWS—railroad fare, sleeper and dining car fees, hotel bills, admissions to Exposition and concession shows, street car fares, lunch bills etc., etc.—everything from the time they leave Louisa until they return home safe and happy. Everything will be first-class. They will travel in Pullman cars, take their meals in elegant dining cars, and stop at the best hotels. It will be the trip of a lifetime!

Who may go on This Trip.

Every respectable lady in Lawrence county and part of Wayne is eligible to be our guests on this joyous outing, be she married or single. In order that there may be a fair chance for every part of the territory to be represented we have decided to divide it into districts as follows:

One Lady from District A:

Embracing three Voting Precincts, viz: Upper and Lower Louisa, and the districts of Wayne county, W. Va., in which Fort Gay is located and which are reached by the Fort Gay Rural Free Delivery.

One Lady from District B:

Embracing Voting Precincts, viz: Bear Creek, Falls of Blaine, East Fork, Dry Fork, Cat, Twin Branch, Cherokee.

One Lady from District C:

Embracing Voting Precincts, viz: Upper Blaine, Swetnam, Georges Creek, Dobbins, Peach Orchard and Rockcastle, Blaine and Little Blaine.

The party elected from each district must live or be employed within its limits. That is the only requirement—and that is done for their own protection. Any person anywhere may vote for any candidate in any part of the county. Candidates may solicit votes anywhere they please. The votes can be mailed to the Contest Editor of the NEWS, or may be delivered in person at THE NEWS office. The voter may deposit his or her own ballot if preferred.

How the Selections Will be Made.

The ladies who will go on THE NEWS' free trip are to be chosen by the people. Everybody can vote—old patrons or new ones, rich or poor, young or old. Every dollar paid to THE NEWS on subscription, job printing or new advertising will entitle the payor to cast 100 votes. No payment of less than \$1.00 will be entitled to any votes.

As a special recognition of new subscribers and advance subscribers we make this allowance: Any one who pays IN ADVANCE one year's subscription to THE NEWS will be entitled to 125 votes; two years, 250 votes; three years, 400 votes; four years, 550 votes; five years, 700 votes; six years, 900 votes; seven years, 1,100 votes; eight years, 1,300 votes; nine years, 1,500 votes; ten years, 2,000 votes. (No clubbing rates or agent's commission allowed when votes are taken.) Payments on old subscription accounts, 100 votes for each dollar. No person connected with the News will be allowed to take part, solicit votes or cast a ballot under any circumstances. The NEWS pledges its honor that the contest shall be fair and equal to all candidates. No year's subscription to THE NEWS favoritism will be shown, no assistance or suggestions will be given to one that are not given to all. It must and will be a square deal.

The Contest will Close August 14th, 1907.

NOW, PLEASE KEEP IN MIND:

That every girl or woman of good character in Lawrence county is eligible to be a candidate. That a vote cast for a lady nominates her as a candidate in her district—nothing else to do. That she will have to compete only with the candidates in her district, but may get votes anywhere. That the lady receiving the highest vote in her district will go as the representative of that district.

The Race is on! Nominate Your Favorite To-Day.

Address all Communications to, or call to see.

Had You Thought of it?

John Wanamaker says: "If there is one enterprise on earth that a quitter should leave severely alone, it is advertising. To make a success of advertising one must be prepared to stick like barnacles on a boat's bottom. He should know before he begins that he must spend money—lots of it. Somebody must tell him, also, that he cannot hope to reap results commensurate with his expenditure early in the game. Advertising doesn't jerk it pulls. It gains, very gently at first, but the pull is steady. It increases day by day and year by year, until it exerts an irresistible power."

HUNTINGTON, W. VA.

OUR NEIGHBORS.

A very sad accident occurred at the home of Nipp Scott, at old Olive Hill. It seems that their daughter Maud picked up a rifle, and while examining it it went off, the ball going through her mother's arm and into her side inflicting a dangerous wound.

Charles Baker, a cigar maker, of Maysville, who was thought by his friends to be in the last stages of consumption, was relieved of thirty-two feet of tapeworm Saturday morning. He had, only a few days ago, passed sixteen feet, making a total length of forty-eight feet.

Owingsville, Ky., May 31. — When Sarah Baker, aged 18 years of Colorado, attended a circus here yesterday, she heard a report that caused her to go directly to the home of William Jones as soon as the performance was over. A violent quarrel followed, and the wife of Jones ran for help. When she returned with her husband's mother, Miss Baker was dead on the floor, her throat cut from ear to ear. She was practically headless.

Jones had fled. Near the body lay his razor, covered with the woman's blood. The police have not captured him. A brother of Jones was hanged for murder here a few years ago. The trail of the fugitive is being followed by bloodhounds.

At Bethel Church, near Olive Hill, where Memorial services were in progress Thursday, Ed Lambert, son of Ben Lambert shot and killed Myrtle Jesse, daughter of John Jesse, of Smoky Valley. Her death was instantaneous, no word or movement coming from her after the shot was fired.

Miss Jesse was some distance from Lambert at the time, and he claims the shooting was entirely accidental. There was considerable excitement over the shooting, and the large crowd which had collected made many threats of violence.

Lambert was arrested and taken to Olive Hill by one officer, while a second parleyed with the excited crowd. He was taken to Grayson on the afternoon train and placed in jail.

About dark a telephone message came from the Hill stating that a mob of about two hundred persons had left town and were headed for Grayson. Officials at Grayson tried to verify the report, but were unable to do so, since the telephone line does not follow the route which a mob would have traveled.

After some deliberation, however, it was thought best to take the prisoner out of jail and place him under guard for safe keeping.

Lexington, Ky., June 2.—Commonwealth's Attorney John M. Waugh, of Grayson, who will conduct the prosecution of Judge James Hargis and others, charged with the murder of Dr. B. D. Cox, when the cases are called for trial at Sandhook, in July, held a conference with Attorneys Byrd and Joutett in Winchester relative to the selection of Judge John A. Daugherty as presiding Judge. T. P. Cartwell, Jr., of Jackson, brother-in-law of the murdered man, who has labored for several years securing evidence against the men he believes guilty of procuring the assassination, was also present at the conference.

At the conclusion of the conference Mr. Waugh addressed a letter to Gov. Beckham, in which he asked the Chief Executive not to issue a commission to Judge Daugherty on the ground that the selection was not suitable to the counsel associated in the prosecution.

The names of Judge M. C. Saulsley, of Stanford; Judge W. B. Moody, of Eminence, and Judge Boots, of Owenton, were suggested by Attorney Waugh as being acceptable to the prosecution and the Governor was asked to communicate with one or more of these jurists to ascertain if they would accept the appointment.

Don't Neglect It

It is a serious mistake to neglect a weak heart. It is such a short step to chronic heart disease. When you notice irregularity of action, occasional short breath, palpitation, fluttering, pain in chest or difficulty in lying on left side, your heart needs help—a strengthening tonic. There is no better remedy than Dr. Miles' Heart Cure. Its strengthening influence is felt almost at once.

"I have used 10 bottles of Dr. Miles' Heart Cure and can truthfully say it has done me more good than anything I have ever used, and I have tried nearly everything that I know of. The doctor who attended me asked me what I was taking and I told him Dr. Miles' Heart Cure, he said it was not going to do me any good, but it did. I have not taken any for a year now, and while there is occasionally a slight symptom of the old trouble, it is not enough for me to continue the use of the medicine. If I should get worse I would know what to do. Take Dr. Miles' Heart Cure as I did before. I consider myself practically cured of my heart trouble."

Dr. Miles' Heart Cure is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails he will refund your money.

Sergeant, Ky., June 1. No crime of recent years in this locality has so stirred this section of Kentucky as the murder of Mrs. Ellen Planery, at Pert Creek, four miles from here, which Floyd Frazier, an eighteen-year-old boy, has confessed. Frazier is now in Pineville Jail, under a special guard of citizens, to prevent his being lynched.

Mrs. Planery lived alone with her four small children. She went out on the mountain to gather some greens for dinner, and Frazier lay in wait for her. He had apparently no motive except a savage desire to murder. The woman struggled when attacked. He felled her with a stone and struck blow upon blow. He then cut her throat and stabbed her repeatedly in the breast. He then hid the body in a drain. The woman's children waited all night and part of the next day. Then the neighbors were apprised and the body found. Posses searched for the murderer, Frazier himself joining in the search, still clad in his blood-stained clothes. Suspicion pointed to him, and he was placed under arrest. His bloody clothes were found at his home, and then he confessed, but cleared his mother, who, it is thought, was implicated. He was then hurried to Pineville to save him from the mob. A special term of the Letcher County Court will be convened in three weeks to try the youthful murderer.

J. P. Lake, lumberman, aged 69 years, was found prostrate near the Alles mill on Four Pole creek, Sunday morning, the butt of a 6 inch pine fastened firmly into his chest. He was dead and had been lying in the same position since four o'clock Saturday afternoon.

The accident is one of the most peculiar that ever happened in Catletts county, W. Va.

Lake had evidently cut the tree down and then stood aside to let it fall. The tree had apparently fallen on his limbs, then rebounded, the butt being driven straight into Lake's breast. Being old, he had not been quick enough to step out of the way and had been pinned in such a way that he could not help himself.
